1. What is it you want this year to see? To see reality as it really is and stare it not down but to be able to see it/all/Me as it is/I am, and stand?
And who can you stand with?
Who will you stand as and what are you willing to let/allow yourself to see/be developed into? Leadership, or remain in subduement forever?

2. See, ask, see.
See, see, ask.
Ask, see, hear and what will you do with My answers?
Yea what are you willing to be, see, become; and what will you do with your reality if you let/allow, to see/become it?

3. What will you do with your supposed-power in authority'd meekness of not-Me, or use/utilize coming into the leadership of Me, to be Me and know Me as I am, fully, and realize that you are Me/under no man/other's authority?
I love you.

4. What will you see, become, feel, allow, and whose subjects/vassals are you, of constriction and control and subjugated to those who relegate you as only to them you give power? Or, what, when? **And what will you see/allow/marry this year as new year begins in/for many and subjugation increases/ends for many?** I love you.

5. Is your name Freedom/Wisdom? When/how did you come forth and who/how is your Father/born, yea brought forth?

6. What are you willing to challenge/learn and what are you doing with your mind Zion?

What is your mind and whose power is it/resides where?
What are you willing to explore and can you think for yourself?
Can you take thought?

Can you take the thought that is no thought and let My thoughts reign supreme, being heard 24/7 and gates never shut/closed (1) except to darkness/authority of another over you?

7. Who what are you siring/reproducing and who will you come into/enter for what?

8. What will you do when all shatters/shakes and the ground under you no long is; thought fails and what are you dressed in? and where is your oil/lamp and who have you beheaded/betrayed?
You, Me? Brethren far and near? Yea, who, you?

9. Yea see and who/how will you learn from/to?
And what are you doing with your thought/head and where now appeareth what to help you see unseen/the unseen that so is and appeareth not real not, but yea is and more tangible/empirical than your thought-molecular stricture that crumbles/constrains My who love Me/are Me, no longer?

10. Who what is time and explore My kingdom, do you desire? Yea far and near and closer than your breath?

11. And whose university are you in/willing to enroll/graduate/give yourself to, that your life reveals/portrays, or consumes?
I love you, regardless.

12. Thou art what, who, when, and where?
A priest in the order of Melchizedek and you and now here on the earth in My kingdom seen and real and transcending all/every law/word of man/dust-man and who is My Father and who are you?
Where is My head and what is Zion and thought, what?

13. What excuses will you fondle and trip over and submit, and weakly standing there naked when before you always was/is eternal life/My kingdom, yea truth/**My mirror real** and bowing before you daily, enter My courts I invite you to, surrendering to your request/desires?

14. Where will you come to for what, when, and how is all this changing so cataclysmically/quickly? Yea it is My time/your time, and where are you going with your power/authority and in whose head is what?

15. I love you My body. I've given you what? Can you see, hear, can you feel My heart in you, see My blood, read My blood, share My blood, be My blood to each other and arise in/from death to ever be born forth/again?

16. Yea see the healed arise and the arisen healed and in whose wings flowing?
I love you, give you all/My all. You are it/Me. I love you.

17. **Thank you for starting My University with a bang not but Mine. I love you. I give you all and all is. I bring all and many from afar and near and My values/heart/hand head become.** I love you.
All thought, Mine.
I give you all exploration, advancement rights of only Me. Thank you. Amen.
All music, mastery, technology, science, religion-none; Mine, yea yours.
And who is Mine? My body: submitted surrendered drink offering'd disciples who master surrenderers become/remain and replicate not their thought but Mine in glory, honor and splendor; **and all the kingdom is whose? I love you. Provided for who? I love you. Yea, My bride.**
I love you.

18. I smile and behold you/your sorrow not, but gleaming radiant splendor coming forth in majestic rays of only Me.
Thank you.
Amen.

19. Answer Me/My questions this day and disregard My word not as wordy/irrelevant to your status/state/future/present, **for this day I offer/present Myself to you in the fullness of reality full and ever present ever-now.**
See what I have said/written with My own pen.
Consider My heart. I have given it/all to you
You are Me, My love, My beloved, when you surrender to My brideship.
I am who? Your lover betrothed, and we marry when? You decide not/you decide.
I behold you. Will you behold Me?
I love you.

20. My love strengthens and commands the attention of the worlds now. Watch Me/us, yea Me and My bride, one. One. One. Watch Me. Our wedding now is and all feasts who are ready, eternally.

21. Yea creation dawns and all is new and who lacks/suffers? The rejecters only. I love you.

22. See what all I have said/asked/refuted/asserted as truth for what else is there/can I?

I Am you are.
Thank you. Amen.

23. I glow. You do, now.
Amen.
Showered.
Amen.
